

CCSCC Championship Points Rules

Purpose

The purpose of the CCSCC awards program is to recognize outstanding and consistent performance in CCSCC motorsports activities and to promote participation and working at our events.

General Information

1. The points year runs from January 1 through December 31.
2. Members who pay their dues by the end of the March club meeting will have points from all events counted.
3. Members who pay their dues after the March club meeting will earn points only for events attended from the date dues were paid onward.
4. First time CCSCC members will earn points for all events for the points year no matter when in the points year they pay their dues.
5. Points for Rally and Autocross events are awarded as follows:

example, 80% of 7 events is 5, so the best 5 scores are used to compute the final points for that category.

8. Women may participate in the Open Rally and Open Championship categories by declaring on their membership form or informing the Points Chair that they wish the points earned by participating in or working at events to count toward the Open Awards instead of Women's Awards.
9. To be eligible for the Open Autocross Year-End championship, a woman must score at least 2/3 of her points in Open competition. Women scoring more than 1/3 of their points in the Women's classes are automatically scored in and only eligible for year end awards in that class.
10. Numeric results will be rounded to a tenth of a decimal place.

Rally Points

1. Award 10 points for 1st Place Overall regardless of class size.
2. Rallymasters receive 10 points for staging any rally. If the Rally Chair and the Rally Steward deem the rally a rerun of a previous rally, the rallymaster receives 5 points for staging the rally.
3. Rally cold runners receive 10 points for cold running any rally.
4. Other rally workers receive 8 points for each rally that they work.
5. Co-rallymasters or co-cold-runners must let the Points Chair know if they want the rallymaster (or cold-runner) points and worker points divided between them 10/8 or 9/9.
6. To receive year end points, you must be a CCSCC member and must work one CCSCC Rally. If you did not start rallying until after July 1 of the previous points year the work requirement is waived.
7. No more than 40 points may be received in a calendar year for worker points.

Autocross Points

1. Award 10 Points for Fastest Time of Day (FTD) or Fastest Time of Day Indexed (FTDI) regardless of class size.
2. Event Chairs receive one additional point, up to a maximum of 10, in addition to any points received as a participant.

Open & Women's Championship Award

1. Two points are awarded towards the Championship Award for each club meeting attended, up to a maximum of 22.
2. All finishers will receive weighted points towards the Championship Award (either Open or Women's) from each of the Rally and Autocross year end finishes based on the following formula:

$$\left(\frac{\text{FinishersAdjustedScore}}{\text{MaximumScore}} \right) * 100 = \text{PointsTowardsChampionship}$$

Where:

*Finisher's Adjusted Score = Best finishes in number of events counted
(80% of the total number of events, rounded down.)*

Maximum Score = Number of events counted x 10.

For example: if Joe finishes first in Rally with an adjusted score of 97 out of a possible 120 total, Joe receives 80.8 points. Mark, who finished second with a total of 93 out of the possible 120 points, would receive 77.5 points.

3. Members can receive overall points from Rally, Autocross and Attendance. For example, a member finishing 1st in Rally and 3rd in Autocross could receive 95 points for Rally, 85 points for Autocross and 22 points for Attendance for a total of 202 Championship points.

Rookie Awards

1. The Rally Committee may, at its discretion, award from zero to four Rally Rookie of the Year awards each year. General guidelines are that the rookies must participate in multiple events and be ranked by some reasonably justifiable measures if more than one award is given.
2. The Autocross Committee may, at its discretion, award from zero to four Autocross Rookie of the Year awards each year. General guidelines are that the rookies must participate in multiple events and be ranked by some reasonably justifiable measures if more than one award is given.
