

## Results of the Arthur Road Apple Rally August 24, 2013

Another perfect day for rally in central Illinois. Rallymasters Tom Ingles and Jon Flora chose some interesting roads in the slow paced Amish country in Moultrie and Douglas counties to use on the 75 mile rally. All five cars completed the course without getting lost, though there were a few hiccups along the way. The rally ended at La Cascada Mexican Restaurant.

We had five official cars that ran the rally. One car came all the way from the Chicago area Friday night, only to be called back home an hour before the rally. We were sorry that we did not get to meet and compete with Scott and his two sons.

Jerry White and Jessie Ferrel took the overall and first in Seat of the Pants. Andra and Chris took first in novice for the second event in a row.

Thanks to Jon for the expert help in setting this rally up. As rallymasters, it was nice to have an opportunity to watch some experienced rallyists miss an instruction, turn around, and then give us the, "Boy what was I thinking!" expression as they ran back to the correct instruction. Thanks, Russ and Mike ;)
