Special Information:

The Champaign County Sports Car Club presents the 2014 “Rallye Monticello” Time-Speed-Distance (TSD) Road Rally. A little over 100 miles in length, the rally will traverse many of the most scenic roads of Piatt County before ending at El Toro restaurant on the historic Monticello courthouse square. Friends and family are invited to join the participants at the finish where “war stories” will be shared over drinks and food before awards are presented.

Registration Information:

The entry fee will be \$20.00 per team. We recommend that you register close to the time registration opens. This will give you time to do the paperwork including certifying that your driver's/vehicle's insurance meets the appropriate state's standards, that the driver has a valid license, that your rally vehicle is being used with the permission of the owner, is in safe operating condition, is on the road legally, and that its operational items such as lights, turn signals, brakes, horn, tires, mirrors, seat belts, windshield wipers and windshield washer are in proper working order. It will also give you time to review the rally's general rules and to talk to other rally participants. This last is especially important if you've never run a rally before. Minors need a fully completed [Parental Consent form](#).

Don't Have a Driver or Navigator?

If you don't have a partner to drive or navigate for you just come by yourself. At almost every rally there are folks who come alone then team up with someone else to run the event. If you are lucky you'll have a chance to team up with someone who has some rally experience. Sometimes that increases your chances of winning a trophy. If you're only slightly less lucky you'll get to run with someone who has no rally experience and have twice the fun as you discover what rallying is all about. At the very worst (which almost never happens) there will be no one to partner with and you will get the chance to work
